The Decommissioning, Contaminated Water and Treated Water Management Project Cost Subsidy Grant Guidelines are established as follows:

Toshimitsu Motegi,
Minister of Economy, Trade and Industry

Decommissioning, Contaminated Water and Treated Water Management Project Cost Subsidy Grant Guidelines

Article 1 (General Principles)

The subsidy for the Decommissioning, Contaminated Water and Treated Water management project cost (hereinafter referred to as “Subsidy”) shall be granted based on the provisions of these Grant Guidelines, as well as the provisions of the Act on Regulation of Execution of Budget Pertaining to Subsidies, etc. (Act No. 179 of 1955; hereinafter referred to as “Rationalization Act”), the Order for Enforcement of the Act on Regulation of Execution of Budget Pertaining to Subsidies, etc. (Cabinet Order No. 255 of 1955; hereinafter referred to as “Enforcement Order”), and other laws and regulations.

Article 2 (Objective)

The objectives of the Subsidy are to improve national scientific and technological capabilities and ensure the smooth implementation of the Decommissioning, Contaminated Water and Treated Water management by encouraging subsidized entities to receive the Subsidy from the national government to establish a fund and conducting a project to support development of technologies which can contribute to the Decommissioning, Contaminated Water and Treated Water management utilizing such fund.

Article 3 (Subsidy Grantee)

The Subsidy shall be granted by the Minister of Economy, Trade and Industry to the fund establishing corporation based on its application.

Article 4 (Subsidy Targets)

The Subsidy shall cover the cost of a project to establish a fund for the implementation of

projects (hereinafter referred to as “Funded project”) specified in the Decommissioning, Contaminated Water and Treated Water Management Project Implementation Guidelines established by the Minister of Economy, Trade and Industry (hereinafter referred to as “Implementation Guidelines”) (hereinafter referred to as “Fund”) (hereinafter referred to as “Subsidized Project”), which will be conducted by the fund establishing corporation. However, the project conducted by a person who falls under the cases written in the exhibit of the pledge for exclusion of organized crime groups shall not be granted the subsidy.

Article 5 (Amount of Subsidy)

The amount of the Subsidy shall be calculated at a fixed rate.

Article 6 (Application for Subsidy)

The application for the Subsidy shall be made by submitting an Application for Subsidy (Form No.1) to the Minister of Economy, Trade and Industry by the date specified separately.

Article 7 (Application etc. by Electronic Data Processing System)

Fund establishing corporation have to use electronic data processing system (specified by the Minister of Economy, Trade and Industry based on Article 26-3 Paragraph 1 of Rationalization Act) when submit application for subsidy based on the preceding Article, submit application for change based on Article 9, report or apply for approval based on Article 11 Paragraph 1, withdraw of application based on Article 12, claim for subsidy based on Article 13, and report of project result based on Article 14 (hereinafter referred to as “Application for Subsidy etc.”).

Article 8 (Notification of Disposition etc. by Electronic Data Processing System)

Regarding Application for Subsidy etc. executed in accordance with the preceding Article, the Minister of Economy, Trade and Industry can use subsidy application system or e-mail to do the followings; notify based on Article 10, instruct or approve based on Article 11 Paragraph 1, instruct based on Article 13, request based on Article 14, notify based on Article 15, order to refund based on Article 16 Paragraph 1, order of payment based on Article 16 Paragraph 2 (including the case applied mutatis mutandis pursuant to Article 18 Paragraph 3), revoke or alter based on Article 18 Paragraph 1, and order to refund based on Article 18 Paragraph 2.

Article 9 (Application for Change)

When conducting a project by changing the content specified in the application due to change in the circumstances after a notification of the decision to grant the Subsidy is accepted, an Application for Change of Subsidy (Form No. 2) shall be submitted promptly to the Minister of Economy, Trade and Industry.

Article 10 (Normal Period of Time for Decision and Notification)

In the event that an application form is submitted in accordance with the provisions of Article 6 or Article 9, the Minister of Economy, Trade and Industry shall examine the content of the application within thirty (30) days from the date of the receipt of the application in principle, make a decision to grant the Subsidy (including to change the Subsidy), and send a Notification of the Grant Decision (Form No. 3) to the applicant.

Article 11 (Conditions for Subsidy)

Upon grant of the Subsidy, a fund establishing corporation shall establish a fund. The grant decision shall be subject to the following conditions:

- (1) After the establishment of fund, the Fund Establishing Corporation shall immediately make public the items stipulated in Article 2, Paragraph 2 and Article 4, Paragraph 5(2) of the “Decommissioning, Contaminated Water and Treated Water Management Project Implementation Guidelines” as basic matters concerning the operation and the management relating to the Funded project.
- (2) Until the fund is discontinued, the Fund Establishing Corporation shall report to the Minister of Economy, Trade and Industry every fiscal year on the amount of fund and implementation status of the Funded project as stipulated in Article 2, Paragraph 9 of the “Decommissioning, Contaminated Water and Treated Water Management Implementation Guidelines.”
- (3) When the Minister of Economy, Trade and Industry admits that the amount of fund is excessive in consideration of implementation status of the Funded project and other circumstances, or when the fund is discontinued because of the arrival of discontinuance time, the non-acceptance of continuation of the fund or other reasons, the Fund Establishing Corporation shall immediately pay part or all of the granted subsidy to the national treasury.
- (4) In the event of suspending or terminating a Subsidized Project, the fund establishing corporation shall obtain approval from the Minister of Economy, Trade and Industry.
- (5) In the event that the Subsidized Project is unlikely to be completed on schedule or it becomes difficult to conduct the project, the fund establishing corporation shall promptly report to the Minister of Economy, Trade and Industry to receive instructions.
- (6) To ensure appropriate and smooth implementation of the Funded project, the fund establishing corporation shall provide sufficient guidance and supervision to a contractor.
- (7) In the event that the fund establishing corporation is asked by the Minister of Economy, Trade and Industry to make a report on the progress of the Subsidized Project, the expenditure incurred for the project, and projects specified in the Implementation Guidelines conducted by the corporation, the corporation shall promptly prepare a document containing a description of the above matters and submit it to the Minister of Economy, Trade and Industry.
- (8) The fund establishing corporation shall prepare a Statement (Form No. 4) that clarifies the relations between the budget and settlement for the Subsidized Project, and retain it for five (5) years after the end of the fiscal year containing the completion date of the Subsidized Project (or the date of the approval of the suspension or termination of the Subsidized Project).
- (9) With regard to the Fund accounting, the fund establishing corporation shall keep books clearly separated from accounting of other funds and maintain records of the revenue and expenditure related thereto so as to clarify how the Fund is used.

Article 12 (Withdrawal of Application)

With regard to notification of the grant decision in accordance with Article 10, in the event that a fund establishing corporation is dissatisfied with the content of the decision and the conditions and intends to withdraw the application for the Subsidy, the applicant shall notify the Minister of Economy, Trade and Industry in writing within ten (10) days from the date of the receipt of the notification.

Article 13 (Claim for Subsidy)

In the event that a fund establishing corporation receives the Notification of the Grant Decision in accordance with Article 10 and does not intend to withdraw the application under the provisions of the preceding article, the fund establishing corporation shall prepare a Subsidy Payment Request (Form No. 5) and submit it to the Minister of Economy, Trade and Industry.

Article 14 (Project Result Report)

With regard to report on the Subsidized Project's results, a Project Result Report (Form No. 6) shall be submitted to the Minister of Economy, Trade and Industry by the 30th day from the date of the completion of the Subsidized Project (in the case of obtaining the approval of suspension or termination of the Subsidized Project in accordance with Article 11 Paragraph 1, the 30th day from the date when the notification of approval is received) or April 10 in the next fiscal year, whichever is the earlier.

Article 15 (Determination, etc. of Subsidy Amount)

In the event of receiving the report in the preceding article, the Minister of Economy, Trade and Industry shall examine the report and other documents, conduct on-site inspection and the like as needed, and if it considers that the reported Subsidized Project results conform to the content of the grant decision (or the approved content if approval was given pursuant to Article 9) and the conditions thereto, it shall determine the amount of the Subsidy to be granted, and notify the fund establishing corporation of such determination.

Article 16 (Refund of Subsidy)

1. In the event that the Minister of Economy, Trade and Industry determines the amount of the Subsidy to be granted and the Subsidy exceeding the said amount has already been granted, it shall set a due date and issue an order to refund the exceeding amount to the national treasury.
2. The refund of the exceeding amount in the preceding paragraph shall be made within twenty (20) days of the day on which the order is issued. In the event that the refund is not made within the time limit, penal interest shall be imposed for the unpaid amount until the payment is made, calculated at the annual interest rate of ten point nine five percent (10.95%).

Article 17 (Corrective Action)

In the event of recognizing that the Subsidized Project, Fund management, or projects specified in the Implementation Guidelines using the Fund are not implemented properly, the Minister of Economy, Trade and Industry may order the fund establishing corporation to take corrective action.

Article 18 (Revocation of Grant Decision, etc.)

1. The Minister of Economy, Trade and Industry may revoke or alter the grant decision, in whole or in part, which is made pursuant to Article 10, if there is an application for the suspension or termination of the Subsidized Project, in whole or in part, or if any of the following events occur:
 - (1) If the fund establishing corporation breaches any of the provisions of laws and regulations, these Guidelines, or disposition or direction, etc. given by the Minister of Economy, Trade and Industry under the provisions of the laws and regulations or these Guidelines;
 - (2) If the fund establishing corporation has used the Subsidy for purposes other than projects specified in the Implementation Guidelines;

- (3) When the fund establishing corporation has engaged in fraudulence, negligence, or any other inappropriate conduct with respect to the management and operation of the Subsidized Project or the Fund;
 - (4) If the fund establishing corporation fails to provide sufficient guidance on supervision regarding the Funded project;
 - (5) If it has become unnecessary to continue the Subsidized Project, in whole or in part, due to a change in circumstances or the like occurred after the grant decision is made; or
 - (6) If the fund establishing corporation breaches the pledge clause in the exhibit for exclusion of organized crime groups.
2. In the event of revoking the grant decision as mentioned in the preceding paragraph, the Minister of Economy, Trade and Industry shall set a due date and issue orders to refund all or part of the Subsidy to the national treasury, if the Subsidy for the revoked part of the Subsidy has already been granted.
 3. The refund specified in the preceding paragraph shall be made in accordance with Article 16, Paragraph 2.

Article 19 (Data Management and Confidentiality)

1. The fund establishing corporation shall implement in compliance with laws and regulations the appropriate management of information on a third party obtained while carrying out the subsidized project, in accordance with the instruction of the party who provides the information, or unless otherwise designated, depending on the nature of the information, and shall not use it for the purposes other than the subsidized project or those for which it provided. Confidential information of third party (including personal information, etc. of people engaged in the project but not limited to) should be taken necessary measures for preservation of confidentiality and should not be disclosed, published, or leaked without reasonable grounds.
2. If the fund establishing corporation makes a third party (hereinafter referred to as “subcontractor”) carry out part of the subsidized project, the fund establishing corporation shall make subcontractor comply with the provision of this article. Activities of the fund establishing corporation or subcontractor (including its officers and employees) resulting in information leakage shall be deemed to be a violation by the fund establishing corporation.
3. The provision of this article shall be valid even after the Subsidized Project has been completed (including in cases in which abolishment is approved).

Article 20 (Pledge for Exclusion of Organized Crime Groups)

The Fund Establishing Corporation shall check the pledge clause of exclusion of organized crime groups as written in the exhibit before applying for the grant of subsidy and shall be deemed to have consented when the application is submitted.

Article 21 (Miscellaneous)

1. In the event that it is difficult to follow the procedures specified in Articles 6, 9, 11 and 14 due to exceptional circumstances, a fund establishing corporation shall seek approval in advance from the Minister of Economy, Trade and Industry and follow its direction.
2. With regard to the matters specified in these Grant Guidelines, the Minister of Economy, Trade

and Industry may make necessary modifications when the need arises.

Supplementary Provision (20140204 *Zaishi* No. 3 on February 6, 2014)
